

Exercise 1: Find all the coordinating conjunctions in this list:

and, is, of, to, therefore, nor, as, so, but

Exercise 2: Find all the subordinating conjunctions in this list:

Although, before, and, but, is, if, while

Exercise 1 correct answer: and, nor, so, but

Hint: recall the acronym FANBOYS for coordinating conjunctions: for, and, nor, but, or, yet, so

Exercise 2 correct answer: Although, before, if, while

I took out “is” because that is a verb and took out “and” and “but” because they are coordinating conjunctions. The other words are present on the subordinating conjunctions list.
