Dear Nick Reigner,

Thank you for your application for a zero emission zone discount.

**Application reference:** 0353-7361-0677-6966

**Si-Dem reference number:** ZD80\2883

**ZEZ Discount expiry date:** 17/04/2026

**Discount applied for:** I am a Blue Badge holder

**Vehicle registration number:** BJ60HLP

We have approved your discount. However, unless you have a discount of 100 per cent, there is a charge for driving in the zero emission zone.

You can pay for journeys you have made or intend to make via our payment system Oxford ZEZ Permits

Now that we have completed your request, you will not see your application in your account. Your discount is valid until it expires then will need to be renewed.

Learn more about charges for Oxford's zero emission zone.

Yours sincerely,
