Priority: HIGH IMMEDIATE ATTENTION REQUIRED

Good day,

This communication is specific to Mike given all others have received prior communication Sept 13th 2021;
Wednesday September 15th @ 9:30am I made a special appearance on the public record regarding a hearing;
Mike was honorable acting as Adjudicator but was not aware of the September 13th, 2021 Notice: Trespass;
We have an emergency right now in our country and world surrounding Covid 19 sars 2 is exposed as a lie;
This communication is to bring directly to Mike the verified truth that requires immediate action;
This communication is time sensitive as it stands true with verified evidence of the massive deceit before us;
September 13th 2021 all were given 48 hours to produce the evidence Covid 19 Sars2 was isolated;
This has **NOT** occurred ...and this is **NOT** an option ...our friends, families and world is in grave danger;
Mike you are required when evidence of this magnitude is brought to your attention that action is taken;
This is not a game... or some joke... the level of gross negligence already is astounding and it must stop;
This is to confirm that Mike has also now received this communication package with verified evidence;
The evidence as now filed eviscerates this corrupt hearing or any charge of discreditable conduct exists;
People are being murdered by these injections and everyone involved will be liable if you don't act now!;
Everyone has until Monday September 20th 2021 to end this kangaroo court or shown condoning murder;
Christopher James as communicated has written this communication and has standing to protect the people;
We require an immediate PUBLIC meeting with all senior commanders of OPP at this time...to address;
The OPP is looking at massive corruption if it does not step up right now and correct the last 1.5 years;
Over the weekend all can review the links provided of crucial evidence now before the world.
If there is no communication by Monday September 20th @ 5pm then public will be shown further truth;
We remain standing on a mountain of truth so produce the evidence required or shut this all down;
The time has come where we must stand together being a light to this world for this massive lie before us;
Christopher and i under penalty of death if our claims not be true place our thumbprints to this final Notice;
Thank you Mike and all for your time/attention to this required knowledge to protect and serve the people;
With honor...respect and love.

Gabriel
