Re: OPP File Number: 2545021-0051

Priority: HIGH IMMEDIATE ATTENTION REQUIRED

Good Day,

I, claim trespass April 17th, 2021 at 'Zwicks West Park in City of Belleville' a public park;

1st Trespass by people who act as agents for service corporation 'City of Belleville';

2nd Trespass by people who act as agents for service corporation 'Belleville Police Service';

3rd Trespass by multiple people at O.P.P surrounding an 'Internal Complaint' based on fraud;

The foundation of said hearing is based on massive fraud, deceit, ignorance by all involved to this day.

I, will correct this fraud simply and with verified evidence as is my duty and to my solemn oath taken;

I, took an oath as all of us do to uphold the law of this land...to Protect and Serve the people period;

The communications [evidence] received will expose gross negligence, incompetence against humanity;

When truth is present... very few words are required

I give notice a man Christopher James will assist as my counsel on all trespasses at this critical time;

Christopher is not a lawyer [BAR member] he does NOT act/represent me...he is an expert on jurisdiction;

I stand with Christopher my fellow man in truth with undeniable verifiable evidence for you and our world;

Together with honor and the oath I hold so dear... we will powerfully and simply prove said claims be true.

August 18th 2021 a man John Martin –Branch 9- V.P served 21 pages to me which I accepted conditionally;

This condition is a contract exists that the 'Provincial State of Emergency Order Relating to COVID-19 restrictions and guidelines ordered by the Government of Ontario' [a service corporation] is based on a written contract verifiable or evidence exists Covid 19 Sars 2 was isolated after purification [Exhibit 1, 2];

A foundational step is required as part of virus isolation process is that 'COVID 19 SARS 2' was extracted from a man or woman and then purified/isolated... if this was NOT done then this 'Provincial State of Emergency Order Relating to COVID-19 restrictions and guidelines ordered by the Government of Ontario' is all based on fraud.... Including all actions by law enforcement who are not protecting and serving people;

FACT: COVID 19 SARS 2 HAS NEVER BEEN PURIFIED / ISOLATED IN A LAB! [Exhibit 1, 2]

FACT: A virus must be purified/isolated 1st ...otherwise everything after it is based on fraud.

FACT: All testing/vaccines/lock downs... are based on this fraud and genocide is now occurring;

If O.P.P is told a dead body is in a house... we require it produced ...but if no one can... does O.P.P still carry on an investigation, lay charges, go to trial if no evidence ever produced...never mind the body?; **No.**

Yet this is occurring by police for over 1.5 years against the people whom we are to Protect & Serve;

How can a virus test or vaccine be created if a virus is never purified/isolated? ... it can't **FACT**;

This single foundational truth eviscerates the fraud ignorance/corruption on this hearing and much more;

Trespass [genocide] is occurring by people given enormous trust acting thru various service corporations such CANADA that Justin Trudeau acts as Prime Minister or ONTARIO which Doug Ford acts as Premier;

Our oath is established as a guide inferior to the supreme law from our creator [God] to uphold the law [common] on this land....yet within O.P.P [service corporation] nothing has or is being done to investigate;

The level of gross negligence being committed is epic as dead bodies pile up worldwide requiring action because good people within the OPP or any law enforcement agency do NOTHING with verified truths;

Evidence worldwide has now come forth exposing massive deceit Justin Trudeau, Doug Ford, Teresa Tam, Doug Downey and every man or woman acting as premiers, MP's, MPP's, AG's Health Ministers, Mayors, Chiefs of Police are involved with main stream media/big tech blocking massive truth globally;

This is not some opinion or conspiracy theory with real evidence a Covid lie worldwide exists. Nuremburg trials are coming given 'Graphene Oxide', a verified poison, exists in these 'vaccinations'.

The elderly have been terrorized or murdered... suicides and domestic abuse is skyrocketing, our children are being terrorized and all of society is compromised horrifically as this evil continues under your watch;

For evil to prosper it only requires good men and woman to do nothing regardless of their profession;

Standing in TRUTH is my duty...as occurred April 17th, 2021 'Zwicks West Park in City of Belleville'

I, insure always my actions are honorable, lawful ...yet this hearing is void of truth if virus not purified;

Dr. Roger Hodgkinson is a man as evidenced a top pathologist stating...YOU ARE BEING LIED TOO!

I, have filed iron clad evidence [verified] to your direct attention now and on the public record on this day;

I, give all on this communication 48 hours produce the written verifiable evidence virus purified/isolated;

Failure to produce this simple verifiable evidence will expose to the world this Covid 19 Sars 2 is all a lie;

Further, who claim I ...property? Or who is the man/woman that can administrate property without right?;

I was not acting [OPP officer] during trespasses... I was under my private capacity a man under god;

CANADA or ONTARIO are service corporations which their Charter Rights recognize supremacy of god;

The Charter does not give we the people our rights we come into this world with these unalienable rights;

People who work for any service corporation [especially Governments] don't write laws over the people;

This trespass [hearing] has provided a massive truth to be brought forth & into the light for our world;

The people are waking and now have the truth on the public record for all to see...and they will see it all;

April 17th, 2021 at 'Zwicks West Park in City of Belleville' I, was executing unalienable god given rights.

Who will claim I property or produce a verified claim I trespass at this hearing causing wrong or harm?
No man or woman will come forth with such claims...therefore the presumed jurisdiction does not exist;
Let the public record show on and for the people whom we are to protect and serve...

I claim:

1. I [nor is any man or woman] ...property of any man or woman;
2. No contract exists or consent to jurisdiction [control] over my property [body];
3. No man or woman can administrate property without right;
4. No verified claim exists from any man or woman I trespassed cause wrong or harm;

Produce verifiable evidence if facts above are NOT true... otherwise all involved will be held liable;

I, wish to forgive all involved who trespassed moving forward and to protect our fellow man right now;

To understand the magnitude before mankind requires emergency meetings/actions for truth to be laid bare as time is off the essence...as our world and mankind hang in the balance ignorant to what is going on;

Christopher and I...stand as one addressing the jurisdiction of this hearing and the iron clad evidence to this Covid lie filed. The truth is further evidenced below so together...we can act quickly and address what has and is occurring by design and by whom.... All of us are under attack and on a massive scale worldwide;

The very fabric of our society which includes our friends, families and all of life itself is being torn apart. It is now here in this moment that we can find the courage to together face this evil and end it swiftly. This is why all people in law enforcement look first to our oaths to PROTECT and SERVE...and we are not!;

In this moment you have a very clear choice to be on the right side of history now with foundational truths;
We all have been lied to on Covid 19 Sars 2 and a Justice System founded on massive constructive fraud;
Millions of people are waking with truth and it requires all in law enforcement now join and fight this evil;
This is our moment... This is our time in history to stop the genocide now occurring with one simple truth;
I... with Christopher affix our seals and state all here in be true so help us god under penalty of death.

Gabriel

Christopher
