This communication has nothing to do with whether or not health conditions exist. No one is questioning whether or not sick people or animals are actually sick.

The issue is the alleged **cause** of their health conditions. “Germ” explanations serve as a distraction and cover story (convenient and profitable for some) for harm caused by other factors (i.e. stress, pollution, malnutrition, toxins, medical “care” including quackcines and other pharmaceuticals).

According to the “experts” at the U.S. Centers for Disease Control and Prevention (CDC):

> “*Three infections caused by group A strep bacteria can be very serious and even deadly:*

> - *Cellulitis*
> - *Necrotizing fasciitis*
> - *Streptococcal toxic shock syndrome*”

December 4, 2022:

I filed a FOIA request with the CDC and the Agency for Toxic Substances and Disease Registry (ATSDR) for:

> “All studies and/or reports in the possession, custody or control of the … (CDC) and/or the… (ATSDR) and/or the people who are responsible for the CDC's claim that group A Streptococcus causes sore throat, that describe valid controlled experiments using purified group A Streptococcus to prove causation of sore throat or any other sign or symptom via a natural mode of exposure… I require any study/report matching the above description, **authored by anyone, anywhere, ever**”

As usual, I asked that if any records match the above description and are currently available elsewhere, I be provided citations so that I may identify and access them.

December 27, 2022:

Roger Andoh acting as FOIA Officer in the Office of the Chief Operating Officer confessed that the “experts” at the CDC and ATSDR have no such studies/reports:

Dear Ms. Massey:

This letter is in response to your Centers for Disease Control and Prevention and Agency for Toxic Substances and Disease Registry (CDC/ATSDR) Freedom of Information Act (FOIA) request of December 6, 2022, for:

Dear Roger,

I require access to general records;

Description of Required Records:

All studies and/or reports in the possession, custody or control of the Centers for Disease Control and Prevention (CDC) and/or the Agency for Toxic Substances and Disease Registry (ATSDR) and/or the people who are responsible for the CDC's claim that group A Streptococcus causes sore throat, that describe ***valid controlled experiments using purified group A Streptococcus to prove causation of sore throat or any other sign or symptom via a natural mode of exposure;***

I am not seeking records that describe attempts to prove causation using unscientific methods;

Recall that ***Scientific proof is NOT:***

Opinions, or
Speculation, or
Review papers, or
Descriptive papers;

Scientific proof requires:

Use of the scientific method,
Repeatable and falsifiable hypotheses that have been tested using valid, controlled experiments where only 1 variable differs between the experimental and control groups;
In this case, the 1 manipulated variable would be the presence/absence of purified particles (the bacteria in question);

I require any study/report matching the above description, authored by anyone, anywhere, ever;

If any records match the above description and are currently available elsewhere, please provide enough information about each one so that I may identify and access them with certainty: title, author(s), date, journal, location, URLs where possible;

Format:
Pdf documents sent to me via email; I do not want anything shipped to me;

Written in good faith, without recourse;
best wishes;

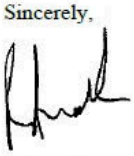
by: Christine: Massey

A search of our records failed to reveal any documents pertaining to your request.

You may contact our FOIA Public Liaison at 770-488-6246 for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

If you are not satisfied with the response to this request, you may administratively appeal to the Deputy Agency Chief FOIA Officer, Office of the Assistant Secretary for Public Affairs, U.S. Department of Health and Human Services, via the online portal at https://requests.publiclink.hhs.gov/App/Index.aspx. Please mark both your appeal letter and envelope "FOIA Appeal." Your appeal must be electronically transmitted by March 27, 2023.

Sincerely,



Roger Andoh

Official Confessions/Evidence Showing that Virology is Pseudoscience:

Freedom of Information Responses reveal that health/science institutions around the world (223 and counting!) have no record of SARS-COV-2 (the alleged convid virus) isolation/purification, anywhere, ever:
https://www.fluoridefreepeel.ca/fois-reveal-that-health-science-institutions-around-the-world-have-no-record-of-sars-cov-2-isolation-purification/

Excel file listing 223 institutions:
https://www.fluoridefreepeel.ca/wp-content/uploads/2024/06/Institution-list-for-website.xlsx

FOI responses re other imaginary viruses (HIV, avian influenza, HPV, Influenza, Measles, etc., etc., etc.):
https://www.fluoridefreepeel.ca/fois-reveal-that-health-science-institutions-have-no-record-of-any-virus-having-been-isolated-purified-virology-isnt-a-science/

FOIs re secretive and unscientifically "mock infected" cells (aka invalid controls) and fabricated "virus genomes":
https://www.fluoridefreepeel.ca/do-virologists-perform-valid-control-experiments-is-virology-a-science/

3000+ pages of "virus" FOIs in 8 compilation pdfs, and my **notarized declarations** re the anti-scientific nature of virology:

Failed freedom of Information responses re contagion:
https://www.fluoridefreepeel.ca/freedom-of-information-responses-re-contagion/

Do health and science institutions have **studies proving that bacteria CAUSE disease?**
https://www.fluoridefreepeel.ca/do-health-authorities-have-studies-proving-that-bacteria-cause-disease-lets-find-out-via-freedom-of-information/

Because "they" (HIV, influenza virus, HPV, measles virus, etc., etc., etc.) **have never been shown to exist, clearly don't exist and virology isn't a science.**

For truth, freedom and sanity,
Christine
