Notice to agent is notice to principal; notice to principal is notice to agent
...in your public and private capacities.

December 2024:

James Hendersen filed a freedom of information order for records held by the "**Chief Veterinary Officer (Scotland)**". He sought all studies/reports, **authored by anyone, anywhere**:

- describing **isolation /purification of the alleged H5N1 or any other alleged bird flu virus**, directly from a sample taken from a diseased bird, and/or
- wherein experiments were carried out to test for **natural transmission of purified "virions"** to healthy humans or animals .

James asked that if any records match the above description and are available to the public elsewhere, he be provided enough information about each one in order to identify and access it (title, author, etc.).

January 27, 2025:

Chris Bain acting as "AHW : Disease Control" **responded** on letterhead, attached, labelled "DIRECTORATE OF AGRICULTURE AND RURAL ECONOMY" / "Scottish Government"; ref: 202500448083. He explained that:

"...**the Scottish Government does not have the information** you have requested...

...the Scottish Government is not required to provide information which it does not have. **The Scottish Government does not have the information** you have requested...

...**we cannot provide information which we do not hold.**"

Not having records of purified particles found and taken from their alleged locations means that "Scottish Government" does not have any scientific evidence of the imaginary virus that is being used as an excuse to terrorize farmers and cull animals - because valid rigorous scientific experiments **require** a valid independent variable (the suspected cause of "bird flu" illness/symptoms).

It also means that "Scottish Government" does not have evidence that valid sequencing and characterization of the imagined particles has ever taken place. In other words, they cannot show that the imagined particles even exist, let alone do anything, and they cannot show that any test has been or possibly could be validated.

More bird flu hoax FOI confessions from the CDC, FDA, USDA, Canadian Food Inspection Agency, Health Canada, Public Health Agency of Canada, European CDC, etc.

Official Confessions/Evidence Confirm that Virology is Pseudoscience

My affidavit regarding the hundreds of freedom of information responses (FOIs) confirming the fraud and delusion of virology, with German and Greek translations:

<https://www.fluoridefreepeel.ca/affidavit-re-foi-and-fraud-and-delusion-of-virology>

Freedom of Information Responses reveal that **health/science institutions around the world (225 and counting!) have no record of SARS-COV-2** (the alleged covid virus) **isolation/purification, anywhere, ever:**

<https://www.fluoridefreepeel.ca/fois-reveal-that-health-science-institutions-around-the-world-have-no-record-of-sars-cov-2-isolation-purification/>

Excel file listing 225 institutions:

<https://www.fluoridefreepeel.ca/wp-content/uploads/2024/09/Institution-list-for-website.xlsx>

FOI responses re other imaginary “viruses” (HIV, avian influenza, HPV, Influenza, Measles, etc., etc., etc.):

<https://www.fluoridefreepeel.ca/fois-reveal-that-health-science-institutions-have-no-record-of-any-virus-having-been-isolated-purified-virology-isnt-a-science/>

FOIs re secretive and unscientifically "mock infected" cells (aka invalid controls) and computer-model "viral genomes":

<https://www.fluoridefreepeel.ca/do-virologists-perform-valid-control-experiments-is-virology-a-science/>

3000+ pages of "virus" FOIs in 8 compilation pdfs, and my **notarized declarations** re the anti-scientific nature of virology:

<https://tinyurl.com/IsolationFOIs>

Failed freedom of Information responses re contagion:

<https://www.fluoridefreepeel.ca/freedom-of-information-responses-re-contagion/>

Do health and science institutions have **studies proving that bacteria CAUSE disease?**

<https://www.fluoridefreepeel.ca/do-health-authorities-have-studies-proving-that-bacteria-cause-disease-lets-find-out-via-freedom-of-information/>

Because "they" (HIV, influenza virus, HPV, measles virus, etc., etc., etc.) have never been shown to exist, clearly don't exist and virology isn't a science.

For truth, freedom and sanity,
Christine
