

# The American Government

## Please Notice These Facts:

1. Our republican states of the Union exist at the level of our National Soil Jurisdiction in each county and taken all together the counties comprise The United States.
2. Our counties have no access to International Jurisdiction except via their State of the Union.
3. The United States delegates power to the Federation of States and People operating in the International Jurisdictions of Land and Sea and Air: The United States of America.
4. Observe that The United States of America functioned for five years on its own, in all foreign jurisdictions, from 1776 to 1781, and is competent to do so again.
5. None of these elements of our American Government are based on any “constitution” — they exist because of The Declaration of Independence, which is the Foundation of all else that follows.
6. The Confederation ceased to function in 1860 when it lost the quorum necessary to conduct business.
7. All powers exercised by the Confederation on behalf of the American States and People returned to the Federation by Operation of Law in 1860.
8. The United States of America, our unincorporated Federation of States was and is and remains our fundamental instrumentality to conduct both international and global business.
9. Our Federation has been at peace since 1814. It flies its own Civil Peacetime Flag.

# The Federal Government

## Please Notice These Facts:

1. When the Confederation ceased to function in 1860, so did the Federal Republic, which was an instrumentality of the Confederation.
2. Neither the Confederation nor the Federal Republic could function during the Civil War, even though the member State of State organizations formed separate "confederacies" — one for the North, calling itself "the" Union, and one for the South, calling itself The Confederate States of America.
3. After the hostilities ended in 1865, The United States of America was not called into Session even though it is the only entity able to reconstruct both the Confederation and the Federal Republic — and also the only one competent to conduct business in their absence.
4. This error has now been corrected.
5. All fifty States of the Union have been called into Session.
6. All Americans are called to join their State Assemblies.
