DO IT BY YOUR HANDS

For many years, relying on high-level expertise and the mature technology. teamwork have been rapidly rising in the field of bird-cage & pest control products manufacturing .Depending on science and technology for development,consistently providing the satisfying new products to customers. Recently,we have cooperated with many international well-known enterprises and developed a variety of products for pest control. Meanwhile, we assist many killing insects company from home and abroad in developing new business.

Our company has more than ten years experience of the electrostatic spraying process,making use of the modern management mode,adopting the advanced producing equipment,bringing in various of spot welding,row welding, butt welding,argon arc welding machines,more than 20sets,various types of punchers,15sets,various types of adjustable screw machine,15sets,hydraulic press machine,2sets,bending machine,1set,plate shearing machine,1set.various types of injection molding machine,including upright and horizontal,more than 10sets,electrostatic spraying production line,1set and some other assisted machines.Committing ourselves to the principle of quality first and good after sales, we provide the customers exquisite and novel products.

The company's products are mainly exported to European and American countries,and we have many oversea distributors for our products such as in Japan,Germany,The United Kingdom ,Thailand,America,Canada and so on.Our domestic products are all for export to the domestic or inventory for foreign customers .Quality has been in a top position in the domestic same industry.

Hardware Products Co,Ltd belongs to registered into 100m! in May, 2011. which is a manufacturing enterprise integrating R&D,Manufacturing and Marketing.The company specializes in R&D, producing various of anti-bird products,rodent control products,pet cages,sport equipment & frame and so on.

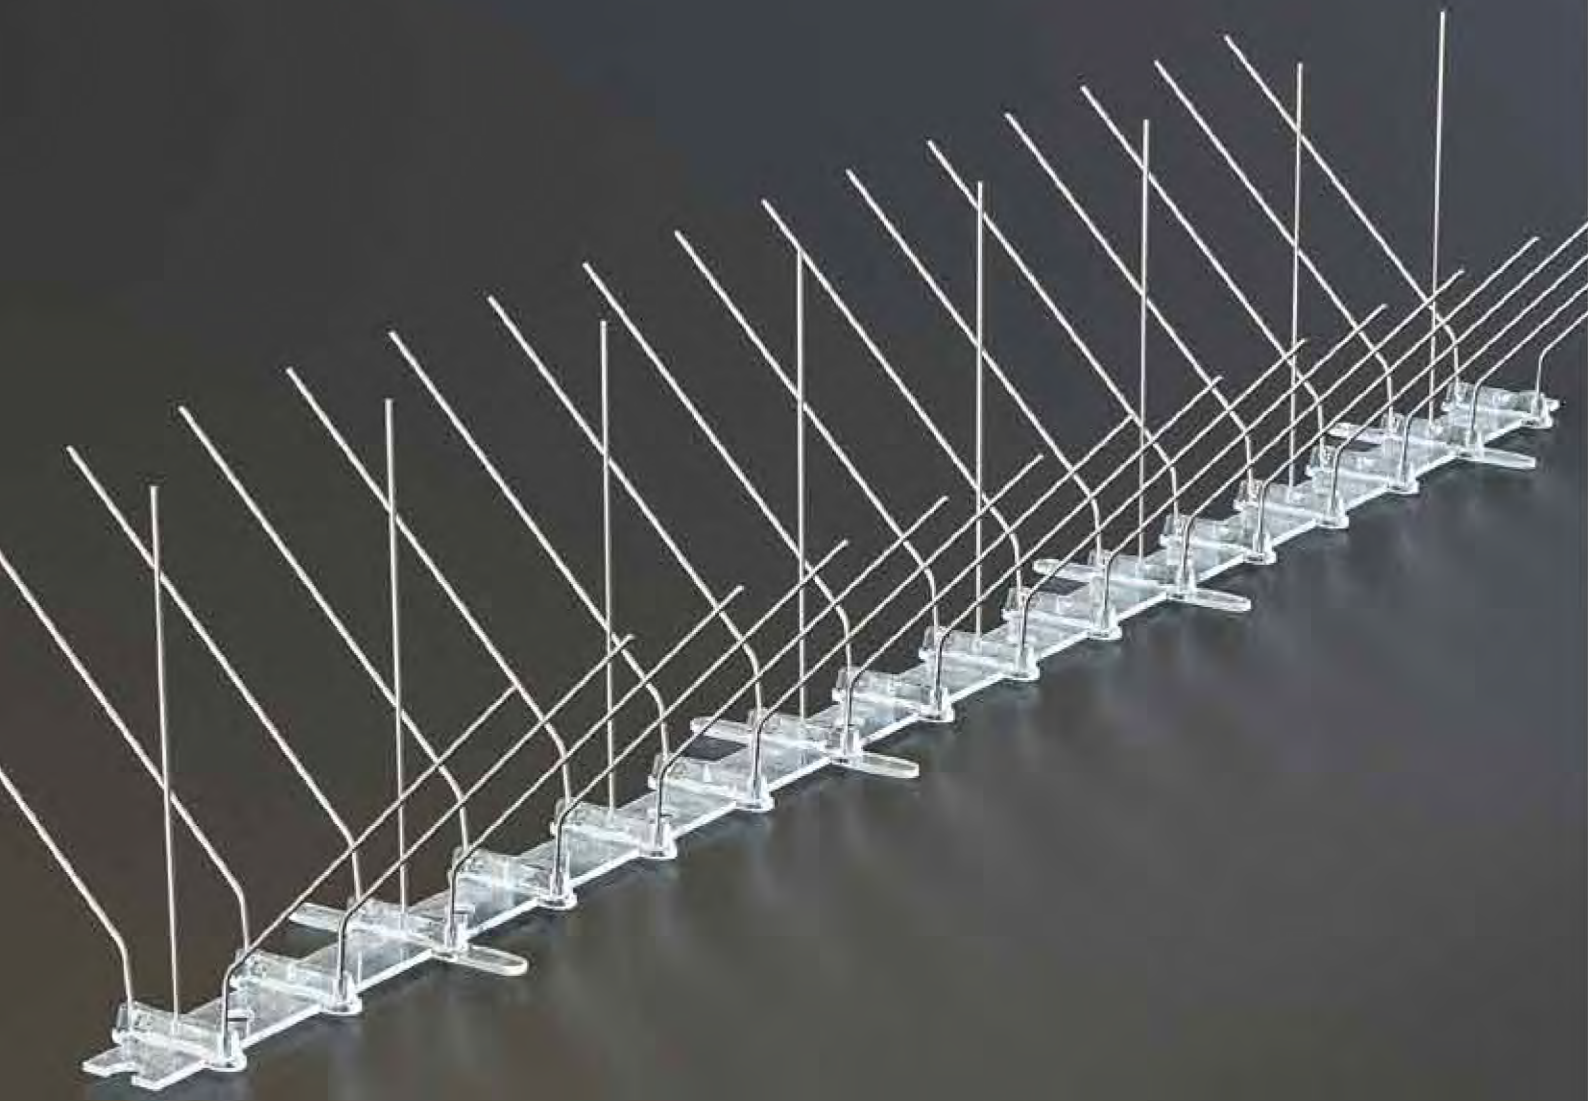

Industry Co., Limited, was founded in 2006,and officially Industrial Park, China, city

The company owns more than one thousand various types of parrot cages, decorative bird cages, breeding cages and cages for dog, cat & hamster,etc which are best-selling domestically and abroad. Meanwhile,we sell all kinds of live-trap equipment to eliminate the pests,such as anti -bird spikes,bird-expeller,bird scarer balloon,mouse trap,-cat-trap cage,foldable cage,bait station,mouse-sticking board,fly-sticking board,and the equipment to eliminate the cockroach,mosquito and fly,etc.

Our company's goal:
People-oriented,scientific management,initiative,continuous innovation.
The company's development objective:
Ten hard years like a day,Striving to create value.
Welcome old and new customers.

HAIER

BIRD CONTRIL

Sole Distributor Applying Bird Control Spikes(Patent: 201120370107.7)

Used For:

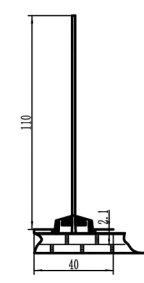

- Keeps pets in-stops animals & intruders from jumping fences.
- Stops cats & possums from climbing up trees.
- Prevents birds from destroying TV aerials and other structures.
- Cover all possible landing areas on buildings with Haierc Bird Spikes.

Advantages of Bird Spikes:

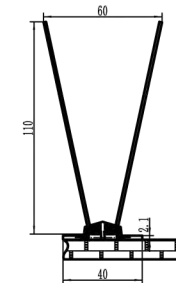

- Long lasting,humane,nearly invisible bird control products
- Works from light to heavy bird pressure
- Extremely strong and versatile bird control products
- Easily glued or screwed to any substrate

Nylon Base Supporter	Metal Base Supporter	Nylon Base Supporter	Metal Base Supporter	All Kinds Supporter	Supporter

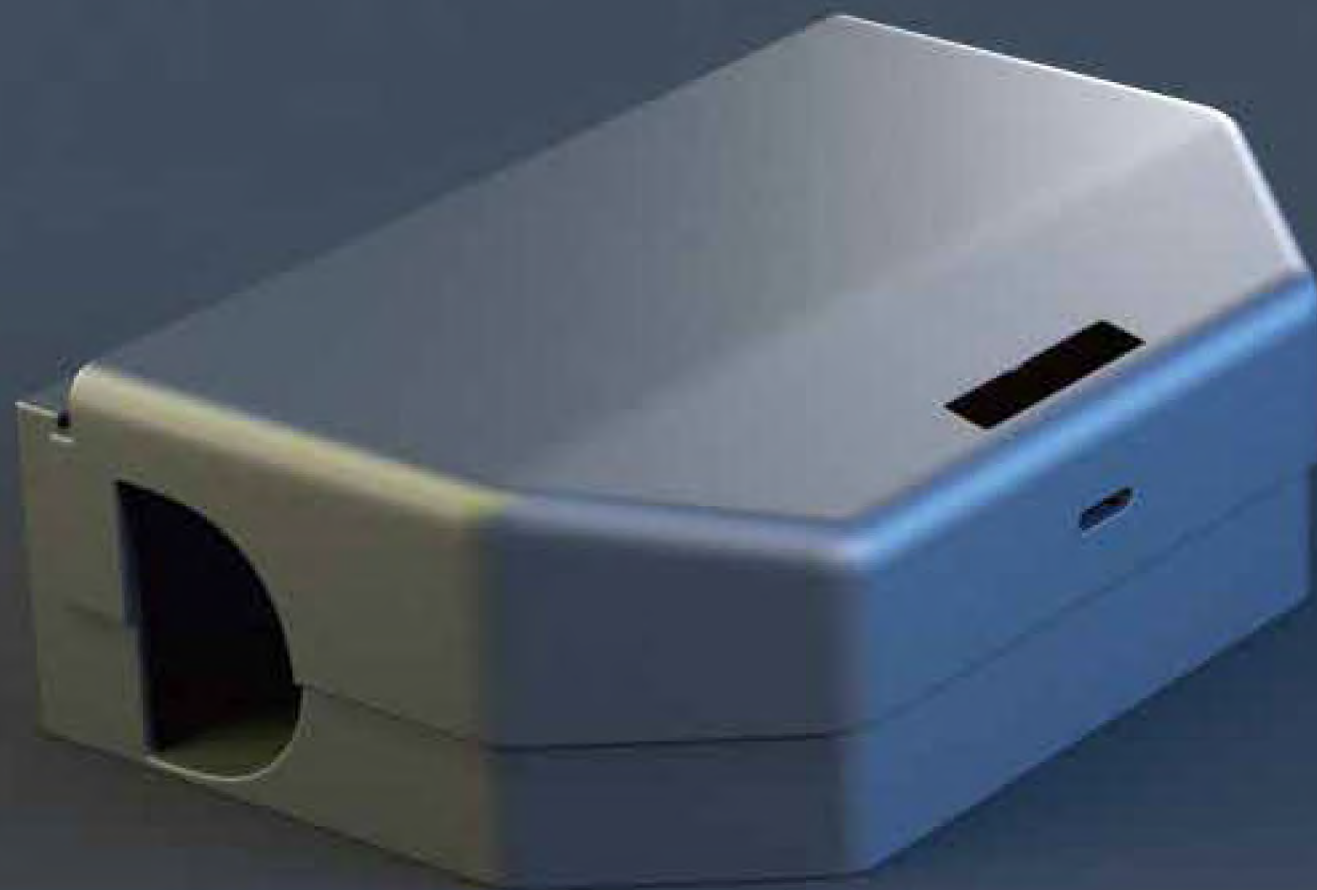

Description:

Super resistance to external attack, can place snaptrap inside, can detect mouse density.

Place and fix the station at a level ground slightly higher than the surrounding area and without any gaps to the wall base.

Suitable for places with large impact of external forces, such as parking lots.

HC16228

HC2101

Description:

Raised design on lid with locks on it, inside there is detachable independent casting slot.

Fix the plastic board directly on the wall, and install the rat bait station on the wall base without gaps;

Place and install the station at a level ground slightly higher than the surrounding area where rodents often move.
