🐾 Factory

pet products factory was founded in 1996. Over 24 years developing, now we have nearly 1100+ employees and 230,000 square meters production area. is our brand. Here is your best choice, one-stop selection of more than 8,000 pet accessories in various range.

Our two own factories mainly produce pet beds, pet cushions and houses, pet plush toys, dog clothes, cat scratching trees. We also have over 100 pet suppliers with strong relationships which produce pet leashes & collars, brushes, bowls and mats, toys etc. It provides we always can get the most competitive price and good quality goods. It can save your sourcing and buying time a lot. Our large production capacity can ensure prompt and on-time delivery.

We own 70 persons R&D team, every month we recommend over 80 new items to our regular customers and send them a new catalogue every six months, which keeps them competitive in the market. A professional design team is assigned to work with every customers (like new products developing; artworks, package etc.). OEM/ODM are always welcomed! Quality, service and new items are our enterprise's life!

Welcome to visit our factory and our over 2500 square meters large showroom will give you a big surprise!

WATER-REPELLENT OXFORD FABRIC

Water-repellent EASY TO CLEAN

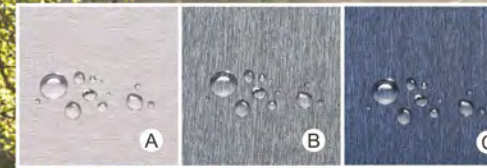

Water-repellent Oxford Fabric

Have you ever experienced the dog bed getting wet when taking your pet to a picnic or camping trip? This is why we have to develop new products with waterproof function. Using this Water-repellent Oxford fabric, it will not become so easy to get wet and prevent water from entering the inside.

Protector

PET CAR SEAT COVER

With a Dog Car Seat, your pet enjoys the best seat in the car. The Lookout is great for dogs with sickness or anxiety associated with the car as it gives them a secure space and a view of their surroundings.

Just use your vehicles seat belt to secure this Lookout Car Seat to any seat in your vehicle.

- 🐾 Leaves your best friend comfortable and safe!
- 🐾 Your car can be always clean!
- 🐾 Durable material and constructed from heavy-gauge polyester fabric!

Clean the cover by wiping away dirt, dander or any other residue with a damp sponge, cloth or paper towel as soon as possible. For bigger messes, machine wash in cold water with mild detergent. Always line dry, do not place in dryer.

Raised Perches & Comfortable for Poultry
The raised perch keeps your poultry safe, dry and warm, especially in the rainy cold days. It's also handy in the heat as they are shielded from the sun and can easily access their nesting boxes without exposure to the harsh light.

Spacious Space & User-friendly Design
The chicken coop comes with nesting box, resting box and ramp. Your poultry can lay their eggs in the nesting box. There is sliding door and ramp allows poultry to easily enter the raised housing area. There are timber ridges above the ramp to protects your poultry from slipping back. With the design of gridding door you can watch your pets without disturbing.

Removable tray & Gridding Fences
There is removable bottom sliding tray for easy cleaning. High quality gridding fences provide a healthy poultry lifestyle. With the pitched roof your poultry can run outside even in rainy days. The fences are vital to the ventilation of poultry, they will also protect your poultry from the outside predators.

Sturdy Construction & Weatherproof
Constructed by premium natural fir wood and painted with eco-friendly waterproof non-toxic varnish. The original wood is firm and natural for your beloved pet. Thanks to the eco-friendly paint, the cage is waterproof, anti-corrosion and also UV-resistant, which offers long-lasting lifespan to provide a warm house for pet all the time.

Purifying Circulation Filtration System

- It provides healthy, running and oxygen-enriched water for your pets.
- Free-falling stream entices pets to drink more water.
- Purify the water, remove the hair, dirt and food particles.

Separate structure, easier to clean

- Take out the power supply before cleaning, and then can be cleaned separately.

It detects low water level to avoid dry burning.

Water Shortage Automatic Power-off

- The pump will shut off automatically, while the water storage level is too low.

USB charging

- The water dispenser powered with USB cable (adapter not included).
- It can connect all USB charging equipment. It is very convenience.

DT2020097
 90.5X90.5X102MM

1/ Fashion Finely Design

The design of the product is inspired by cactus plants, with a fresh & beautiful appearance, out of the ordinary.

2/ High-Quality Soft Silicone Material

It removes your cat's undercoat and loose hair quickly and easily without harming or hurting their skin.

4/ Washable & Easy Cleaning

you can rinse it thoroughly with water to remove all the hair from the brush and dry it for next using.

3/ Efficiently Remove Loose Hair

Remove up to 90% of shedding hair from your cat within minutes, simply comb gently over your cats or dogs.

5/ A Shampoo Brush For Thorough Cleaning

- Different from other brushes, *the hair can be easily removed* even the comb is wet.
- You can remove the hairball conveniently from the edge of the comb.
- The quickly dry feature can inhibit the attack

PROFFSSIONAL PET CARE TOOL

HAPPY HOUR

DOG PLUSH TOY

Cost-effective dog toy

Hours of fun: When you're away, squeaky toys would help release their anxiety and pressure, cleaning their teeth, and reduce their destructive behavior. No longer worry about your dog's alone at home, or pillows, sofas, shoes, etc. getting destroyed. With toys dogs won't feel bored or chew the house up, their excess energy will be released.

More health, more care: Squeaky toys help dogs to exercise more and improve their health, quality playing time together will also increase their bonds with owners.

Graphene Material Technology Pet Travel Bed

Portable Pet Travel Bed Graphene Material Technology

GRAPHENE NEW FUNCTIONAL FABRIC

- Low temperature far infrared**
6-14 microns at 20-35 ° C The absorption rate for far-infrared light Over 88%.
- Antibacterial, protects health**
Graphene can destroy bacterial cell membranes. Antibacterial is realized by leading to outflow of bacterial intracellular material. Medium fabric is made of fiber with heat storage function, bioma. Enhances the antibacterial properties of sgraphene. The antibacterial rate against bacteria exceeds 90%.
- Durable and long lasting, Resistant to washing**
Even after prolonged wearing and multiple washing, Performance does not decrease.
- Hygrosopic and breathable**
Hygrosopic and breathable Immediately absorbs moisture and sweat from the skin of the body, quickly introduces it into the air and emits it.
