COMPANY PROFILE

Co., Ltd was founded in 2008 with the goal of combining technological innovation, leading design and the highest standard of quality to create the best " " die casting Model Trucks and "Rainbow Tale" Baby Toys.

is located in the well-known toys town - , with a total area of 30,000 square meters . We keep our focus on the developing, manufacturing and selling alloy Model Trucks and Baby Toys. In order to ensure that our products are of the highest quality, all products have obtained the domestic 3C certificate, and a number of products have got CE, ASTM, EN71 certificates and more. Our products have been exported to many countries and regions in Europe, America, Middle East and Southeast Asia.

After years of development, relied on his own strength of composite foundation, and set up the international famous toy brand strategic objectives. The products have won the "The Best Creative Award", "The Best Innovative Award", "The Most Popular Consumer Award" and some other domestic and overseas toy awards. In 2014, " " was awarded as "The Famous Trademark of Province".

Apart from our own-brand " " and " " , we also have much experience and capacity to work with our customers on OEM & ODM projects. Over the past years, we have good performance in handling with OEM projects for many well-known international companies.
