**Brife**  
**Introduction**

Our company is located in children's carriage city,                    Town,                    City, which is the children's Carriage production base of china and has been long enjoying the reputation of "                    ", bordering oriental Grand Harbor-Zhapu Harbor in the South, oriental metropolis-Shanghai City in the east, and                    , which enjoys the name of "An Earthly Heaven" in the west. With the Largest bridge in the world Hangzhou Bay Cross-sea Bridge nearby, the crisscrossing transportaion network forms advantageous transportation condition in terms of land ,sea,and air transportation.

The three-wheel and four-wheel electric power children carriage series which is recently professionally produced and designed and developed by our company are sold to all over the country, and are also exported to Europe, America, Africa, Middle East and Southeast Asia, etc. Our company has devised and implemented a series of quality management documents i.e. quality manual, program document, corporate quality management system, practically organized production and quality inspection in line with the requirements of quality management system and national products certification. Our products are in accordance with the requirements of national execution standard on quality, have acquired the 3C products certification and quality management system certification and relevant quality certifications one after another, and have passed the inspections conducted by the Children's Carriage Inspection Center, Pinghu Bureau of Quality and Technical Supervision, Zhejiang Quality and Technical Supervision and Inspection Center and National Exporting Toys Inspection Center.

Our company is making effects on innovation and promotion of technical abilities of R&D, production, management, and marketing, is adhering to the principle of "trading with integrity, achieving success with quality", surviving in the intense market competition, developing during constant R&D and innovation. Our company sincerely thanks for the consideration shown by people of all circles at home and abroad for a long time, and is going to build a bright future with you hand in hand.

## THE BEST IS ALWAYS FOR THE CHILDREN!

The logo for 'cars' features a lowercase 'c' in a bold, black, sans-serif font. To its right, the word 'cars' is written in a lowercase, white, sans-serif font, with the letters 'a', 'r', and 's' overlapping a large, solid black circle. The background is white, with a vertical grey bar on the right side and a red horizontal bar at the bottom.
