

# About us

was established in May 2004, and is a professional fireworks company which is in association with Co., Ltd.

In recent years, under the leadership of our general manager Mr. James , who was awarded as one of the 1st Chinese Top Ten Internet Businessman, our company is constantly developing and updating our products according to the domestic and international market demands. We already hold many kinds of fireworks celebrations, and have successfully won the operation right for 2013 annual Weekends Fireworks Competition.

We mainly produce and export 1.4G consumer fireworks and 1.3G professional display fireworks to the countries worldwide. Our products include cakes, display shells, roman candles, stage fireworks, fountains, rockets, toy fireworks, fireworks firing system, stage special effect equipment, etc. We sell top quality fireworks and always aim to find the products at the best quality, the newest effect and best price to meet your needs.

"Customer Foremost, Credit First, Mutual Benefit" is the eternal business concept of our company. We are willing to advance together hand in hand with all of our customers & friends, and creating the magnificent tomorrow of fireworks.
