

220cm diameter

240cm diameter

260cm diameter

300cm diameter

Tip: Tablecloth diameter = table diameter + tablecloth sagging length x 2

The image shows three fabric swatches arranged on a light-colored surface. Swatch 1 is a dark, textured fabric with a pebbled grain. Swatch 2 is a dark, smooth fabric. Swatch 3 is a light-colored fabric with a complex, repeating geometric pattern. Each swatch has a white number printed on it. There are also some black rectangular pieces and a blue and white object partially visible in the image.
